

Timer.h

```
graph BT; A[LevelStorage.h] --> B[Timer.h]
```

The diagram illustrates a header file dependency. At the bottom, a white rectangular box with a red border contains the text "LevelStorage.h". A blue arrow points vertically upwards from the top center of this box to the bottom center of a gray rectangular box with a black border located above it. The gray box contains the text "Timer.h".

LevelStorage.h
