

Lever.h

```
graph BT; LevelStorage.h --> Lever.h
```

The diagram illustrates a header file dependency. At the bottom, a white box with a red border contains the text 'LevelStorage.h'. A blue arrow points vertically upwards from this box to a gray box with a black border at the top, which contains the text 'Lever.h'. This indicates that 'LevelStorage.h' includes or depends on 'Lever.h'.

LevelStorage.h
